01

Objectives of Blended Learning

Objectives of Blended Learning

01 To prepare students to be self-directed learners and to learn for life.

02 Enable students to explore their interests and passion through Student Initiated Learning.

01

**About 4 hours of curriculum time,
by following your normal class timetable for the day.
Recess time will be your break.**

02

**1 additional hour called Student Initiated Learning
(SIL) (For Sec 123 only),
by going to your SIL class in Google Classroom**

03

You do not report to school on HBL Days.

02

What you need to know about HBL

02 Homebased Learning (HBL)

DATES

Your form teachers should have shared the dates with you.

Online Attendance is compulsory

If you have fallen sick on the HBL day, please call the school or report to your Form Teacher.

School Hotline

68920369

General Rules for HBL (Refer to Student Handbook)

Students must:

- (1) use their personal learning device (Chromebook), personal laptop or desktop. Use of smart phone will not be suitable for HBL.
- (2) connect their learning device to the Internet.

(4) use a pair of headset or earphones with microphone capability.

(5) For any live lessons using Zoom, you should put on your school PE t-shirt

(6) mute their microphone and switch on your video.

General Rules for HBL (Refer to Student Handbook)

On HBL Day, students must:

- (1) access the students' HBL website (<https://tinyurl.com/wssshbl>) for announcements and links to your subject teachers' webpages.

You can only access this website using Student iCON account.

- (2) check your Students iCON for new emails from the school or your teachers.

For easy reference, you can also bookmark all your current year's teachers' webpages.

General Rules for HBL (Refer to Student Handbook)

Learning Resources

- (1) place learning materials (textbook, workbook, worksheets) on your study table.
- (2) get ready a set of writing materials. (foolscap/pen/pencil).
- (3) Be organized.
Keep downloaded or newly created files in folders.

How? Create a main folder called Year_SecYZ, followed by sub-folders called Subject_Teacher's Name. You can do the same for your Google Drive and thumbdrives.

(4) create a backup of important work in a thumb drive.

General Rules for HBL (Refer to Student Handbook)

Cyber Wellness

- (1) keep your login credentials safely.
- (2) create and share online content in a safe and responsible manner.

Conduct of HBL

What online lessons will I have?

- (1) Follow your normal school timetable on your HBL day.
- (2) If HBL day falls on a Wednesday, follow the Wednesday timetable. Recess will be your break.
- (3) Get instructions from your subject teachers by visiting their websites.
- (4) Check your Student iCON emails

You should target to complete all assignments by 10 pm.

When in doubt,
please contact your
teacher.

Teachers' email addresses are
found in the Students' HBL
website at tinyurl.com/wssshbl

us form at tinyurl.com/wssshbl

Alternatively,

**Call the School Hotline at
68920369
730 am to 4 pm**

Alternatively,

**Whatsapp to 84347660
State your name and class.
730 am to 4 pm**

05

Student Initiated Learning (SIL) (Sec 123 only)

05 Details Student Initiated Learning

Student initiated learning

- (1) SIL is compulsory and applicable to only Secondary 1, 2 and 3 students. If you are a Sec 4 and 5 student, you may skip this section.
- (2) **Every HBL day, Sec 1, 2 and 3 students are to allocate time (about 1h) to login to Google Classroom (in iCON) and go into the class called 'Student Initiated Learning 2022'.**

(3) Please read and follow the posts closely.

**Enjoy your
learning!**

Thank you for your attention.
